Hi Gabriel,

We refer to your below email.

In view of our driver insisted that no contact with third party vehicle and third party had no concrete evidence to proof that our insured had hit him from behind, we would like to reject third party claim.

Kindly advise your instruction in Merimen.

Thanks.

Dear Hsiao Tong,

We refer to the above matter.

There is no evidence from insured. kindly check consistencies of the damage to both vehicles in order to determine if there was any impact from this alleged accident. Rear bumper of Third Party Vehicle is noticed to be misaligned with black tape used to hold the bumper before the accident took place.

*Best Regards,*
