Brief Details.

On 29.07.2020 about 1740hrs, at the Tekka Centre Basement Carpark, I parked my vehicle SLL9132M (QX1284M) at lot no.141. At about 1800hrs, I returned to my vehicle, I was standing behind and witness one vehicle SLF3054B which was parked beside me at lot no.140 drove out of the lot. The vehicle drove out, turn left and the side of the vehicle rear passenger door scraped on the right front of bumper of my vehicle. The driver stopped and reverse back to make a check. The driver admitted her mistake to me, as she had turn too early. I had informed her that this is a government vehicle and she needs to make a traffic accident report. Both us had exchange particular and contact. No one was injured.

I wish to state that I was with my colleague who also witness the accident. My vehicle was still parked in the lot when the accident happened.
