Brief Details.

On 31/07/2020 at 2100hrs, I was traveling from PIE towards TPE. While I was entering the slip road, a grey van suddenly appeared in front of me. I tried to swerve but could not do so in time and hit the passenger side of the van. I came out and checked if there was any injury to the other driver. The other driver came down to make a check and we exchanged details. Awhile later, LTA officers and Traffic Police officers attended to us and the other driver was conveyed by an ambulance. As I smelt of alcohol, the traffic Police officer did breath analyzer and the analyzer indicated yellow. Subsequently I was brought back to Traffic Police Headquarter where I was tested again and I passed.
