Dear Shiau Chan,

We note that the email of instruction from M/s Chey LLC only stated for a report but did not specify that it was for a paper re-inspection only.

In this regard, we take the position that since the Plaintiff's vehicle is available for re-inspection, it is more prudent to do the same as it would give the Court a more accurate view of damage and repair.

In this regard, kindly let us have your proposed date and time for the re-inspection to be carried out and for the amended SJE report to rendered based on your physical reinspection.

Regards,

Sherlyn
