Brief details.

I was driving on the PIE (towards TUAS) at about 6.35 am heading towards Choa Chu Kang. I was driving within the speed limit on Lane 1, when I saw a van in front of me, spun from lane 2 to lane 1. I stepped on the brakes but could not stop on time, to avoid the collision. The van inevitably hit my car, on the left side. The airbags were activated automatically to cushioned the impact of the crash. Another vehicle hit the back of my car. It was a 4 car collision.
