Hi Priya,

We refer to your email dated 05 Nov 2020.

According to surveyor, recommended repair cost at \$12,000.00 which is within the repair limit/economical repair value of third party vehicle. The accident occurred when our insured driver reversed and collided onto third party who was behind him. We are liable for the damages to third party vehicle. We do not see if there is any benefit to third party out of accident.

Kindly advise your mandate after review the matter. Thanks.
