Dear Sir / Madam,

We refer to the above matter.

Attached is a copy of rear video footage from third party. The video shows that our insured driver was driving within his own lane, third party was changing lane and resulted the collision. We are of the view that BOLA S15 is applicable. Third party should keep in the proper lane and change lane only when it is safe.

In view of this, we propose to reject third party claim under BOLA S15.

Kindly let us have your comments/approval/instruction.

Thank you.
