Importance: High

Dear Team,

I have shared the video footage captured from the rear cam of SMP7288C in Merimen.

Please inform the surveyor that we will not pay for the front damage of SHC7623X as OID's impact did not cause SHC7623X to hit onto SMP7288C.

Thank you.

Kindly note that in accordance with the latest measures introduced by the Government to curb the spread of the Covid-19 virus, our response/processing time may be delayed. All correspondence will be by way of email only. We seek your understanding on the same.

Sincerely,
