DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

On Saturday morning of 29th August 2020 at 11:40am I was driving on the extreme right lane of the PIE heading towards Changi before the Lornie Road exit, the car "SKA1429E" suddenly jammed on his brake and I knocked on to his "bumper." At that time it was raining slightly and the roads were very wet and slippery and I ~~can~~ could not stop in time. At the time of the accident the traffic was quite congested and we were traveling at 40 - 50 kph.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
