Hi Jia Le

As discussed earlier.

TP video is unable to confirm the exact root cause of the accident. Please propose 50%(BOLA20) to TP repairer.

Best Regards

Hi Bennie,

We have spoken to OI, they did not have video footage/any scene photos and suggest to propose 50/50 settlement if conflicting version. Our surveyor comments that there is the minor impact from third party vehicle but there is unable to conclusive as certain caused by OI encroached lane.

Kindly let us have your instruction.

Thank you.

Hi Bennie,

Enclosed herewith the TP's video footage for your viewing.

From the video footage, OI is travelling straight and did not see any intention to change lane. However, TP vehicle is very close to the white line.

Therefore, we are of the view that the TP vehicle encroached to OI's lane caused the collision is credible.

Kindly let us have your instruction.
