**Subject:** REJECT TP CLAIM - Check liability - Accident involving SH3189C (TLM) and SMS6253T (AIG) on 28.08.2020

WITHOUT PREJUDICE

Dear William,

Based on the documents at hand, we noted that the collision occurred when your client (SH3189C) was changing lane into our Insured's lane.

We append below Insured's accident photos and Insured's statement for your easy reference:

**Brief Details.**

On 28/08/2020 at 1238hrs, I was driving my vehicle(SMS6253T) along Serangoon Road towards Upper Serangoon Road on the 3rd lane. At the T-junction between Serangoon Road and St Barnabas Lane, I saw a taxi(SH3189C) that was about 2 to 3 car length away, drove into my lane from the left and stopped in my lane. The taxi was stationary in his lane before he turned into my lane. I braked my vehicle but my vehicle did not stopped in time. The left front of my vehicle collided into the right rear of the taxi. The left headlight and the left bonnet of my vehicle was damaged. The taxi has multiple slight scratch damages on the right rear side of the vehicle. I am making this report for record purposes.

As such, we opine that liability is down against your client under BOLA 15 for changing lane without proper lookout.

In view of the above, we have instructions from our principal to deny the third party claim and we are unable to look into your client's (SH3189C) claim.

We will proceed to close accordingly.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Best Regards,

**Khanchna** | Case Handler
