Brief Details.

On 28 August 2020 at about 7.40am, I was riding my motorbike FBN1274Y from my home at 996B Buangkok Crescent to work. At this point I was at the junction between Hougang street 93 and Hougang street 91. I proceeded to turn left onto street 91 and proceeded straight down the said road. I saw 2 cars ahead of me. The car at the front of both cars was a black car and was signaling to turn into Bik 925 on Hougang street 91. Behind the said black car was a red Nissan car (SLV2801J) and this car was stationary at this point. At this time, I was still behind both cars.

As I rode my motorbike forward to pass the said cars, the said red car suddenly swerved in my direction. The said car's front hit the rear of my motorbike and this impact caused my bike to fall over in the middle of Hougang street 91. My leg was stuck under my motorbike and the driver of the said red Nissan helped me get free from my motorbike. This accident happened at about 7.45am on the said day.

SCDF paramedics arrived at about 8am on the said day and traffic police also attended this incident. I was conveyed to Sengkang hospital and I was given various X-ray tests and dressings were made for my wounds. I was given 5 days MC from the said hospital's emergency department.

I am making this report for insurance purposes.
