Re: Regn. No SMJ6492S KIA CERATO 1.6 EX -Own Damage Claim

We regret to inform you that review to the extent of the damage, in our opinion, it is not economical to carry out the repair. And in review to the extent of the damage, the degree of structure is difficult to restore to original condition as manufactured by factory.

Kindly arrange your surveyor to inspect the above vehicle at our **Service Centre , 209 Pandan Gardens, Singapore 609339** as soon as possible.

Your early reply would be appreciate.

Yours faithfully

Brief Details.

On 05/09/2020 at about 2230hrs, I was driving my car on lane 1 along PIE towards Changi near to Jalan Toa Payoh and driving about 80km/h. It was raining. A car from the second lane suddenly wanted to cut in front of my car and I stepped on the brake. My car then skidded and the front part of my car hit onto the railing.

I came down and made a check and the front portion of my car was damaged. I then contacted Automobile Association who advised me to call my vehicle insurance company. I then contacted the insurance company who informed they will send a tow truck. An ambulance happened to pass by and paramedics attended to me and I told them that I am not injured. Traffic Police also came to scene. The Traffic Police then took my in car camera SD card and issued me with a case card reference incident E/20200905/0185 and advised me to lodge a Traffic Accident Report.

The tow truck came and the driver told me that earlier around 2000hrs, an accident between 2 cars also happened at the same location of my accident and maybe the road is oily. I wish to state that an accident happened about 15 minutes later behind my accident scene. I do not know the colour or the plate number of the car who had cut into my lane. I am lodging this report as advised by the Traffic Police.
