Brief Details.

Was driving along Compassvale Road before making a left turn at the cross junction traffic light into Compassvale Walk.

Then drove along Compassvale Walk for 50m which only has one single lane for my direction. I slowed down and proceed to slowly turn left into block 241A which is the multistorey carpark.

To my horror, a motorbike speed up and bang into my left wing mirror.

His hand and motorbike knocked into my wing mirror and there are scratches and dents on my side door. My left wing mirror was knocked off.

The motorbike plate number is FBM 6704X

CONTINUATION OF REPORT

Its a single lane direction and narrow road with pedestrian walkway on the left, I already slowed down and my left signal is on indicating my intention to turn. It is a dangerous stunt from the motorbike and uncounted for. He was in a rush for his food delivery.

My left signal is always on from Compassvale Road to Compassvale Walk to the left turn, as can be heard from the video.

Please contact me at 90028747 for video.
