Brief Details.

On the above mentioned date and time, I was riding my motorcycle along BKE, near to Woodlands Ave 3 ext. I was riding on the first lane, when I noticed a lorry next to me on the second lane (unknown plate number) suddenly brake, and skidded and the head of the vehicle collided into the side of my motorcycle. After this I remembered was that I was on the floor. After this, another rider assisted to take a photo of the driver's license of the other party, and sent it to my phone number. Police and ambulance came to the accident.

Subsequently I was conveyed to Khoo Teck Puat Hospital. I was given a 4-day medical certificate and suffered some swelling on my left pelvis, soreness on my arms and abrasion on my right knee. As my motorcycle was a rental, the motorcycle shop advised me to lodge a traffic accident report.
