Brief Details.

On 05/06/2018 at about 1420hrs, I was driving my trailer-truck VAQ6200 along Woodlands Road towards Woodlands Checkpoint. At the point beside the Esso Petrol Station, I was waiting in a traffic jam on the left lanes of two lanes. I was inching forwards slowly when all of a sudden, I heard a collision sound on the left. I alighted to make a check. I then saw that a side swipe had occurred between my vehicle and SJM7710B. The right side mirror of the vehicle was damaged and dangling. No one was injured during the accident. There is no damage to my vehicle. I spoke to the driver of the car. He said that he horned at me, however I did not hear the horn. I also did not see the vehicle prior to the accident. I did not manage to take the driver's particulars as I was not aware that I had to take down his name. It appears that he had tried to enter my lane from the exit of Esso Petrol Station. I have no in-vehicle camera on my vehicle.
