POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. D/20200927/7018

As I was approaching the junction of Jurong Gateway Road and Jurong East Street 21, I had slowed down a little to keep a lookout and continued cruising ahead after realising that traffic was clear and traffic light was in my favour.

Just as I had passed the said cross junction, travelling along the middle of 3 lanes, I felt a huge impact from the front right portion of my vehicle. Impact was so huge that my vehicle got bumped into the lane on my left.

I alighted to realise that SMA 5281M had crashed into the front right portion of my vehicle. SMA 5281M subsequently collided into the barrier and into another vehicle, SKK1621M, on the opposite side of the road.

My son, Wong Kai Jie Davian, T0724050Z, was sitting right behind me bumped his head against the roof. My daughter, Wong Wai Teng Shirlene, S9932825H, suffered a knock on her right knee.

Initially, I was fine but later that evening, I started to feel soreness over my neck, shoulder and lower back regions.

I brought my son to our family doctor at CCK FAMILY CLINIC for treatment. We were both given 4 days MC.

My daughter went to the same clinic the next morning and was given 5 days MC.
