Dear Cassandra,

We refer to the above cited matter.

Base on BOLA no.15, your client is 100% liability as vehicles filtering should keep a lookout and only filter when it safe to do so.

We maintain our position on this matter.

Pls advise your client to withdraw claim.

Dear Chris,

My client did filter into your insured's lane.

However, your insured already did see my client coming, and already was halfway into lane.

Why didn't he stop and continue to proceed, causing this accident?

Appreciated and thank you.

Dear Chris,

Yes, my insured is indeed filtering lane.

However, your insured can already see my insured in lane.

If he did were to slow down and let my insured pass, this accident will not happen.

Appreciated and thank you.
