Dear Jia Le,

Hereby attached LOD for your necessary action.

Please refer to the screenshot below.

1 second prior to the impact, my Client's vehicle can be observed, travelling straight within his own lane. The **U** **unit within the vehicle is aligned with the arrow signage in the middle of the lane.**

**Hence, this is not a case of side swipe between both vehicles.** The only remaining logical outcome that remains **here is your insured failing to keep within the boundaries of his own lane, encroaching and hitting onto my Client's rear right portion.**

Scene video has already been provided for review. Please let us have your offer at 100% soonest, in view of clear liability.

Thank you.
