Brief Details.

Coming onto dual carriage way TPE heading west towards my home in Springleaf, moving to right lane from middle, think hit puddle and car swerved and hit into railing. No other cars involved. A few. seconds later, I guess 20 seconds or so a motorbike must have broken when they saw my car and the driver and passenger fell off with no major injuries. They must have fell off about 30 meters behind my car.

The section of TPE where this happened was in between Dunman Secondary school and White sands primary school
