Warrants can be volatile instruments and may be subject to considerable fluctuations in value. The price of warrants may fall in value as rapidly as it may rise, and warrants may run the risk of expiring worthless resulting in a total loss of your investment. Trading warrants involve risks and may not be suitable for everyone. Before making any investment decision involving warrants, you should consult your own independent financial and any other professional advisers regarding the suitability of the decision you make, taking into account your personal circumstances. Where past performance is referred to, it is not indicative of future performance. Refer to warrants.com.sg for risk factors and full disclaimer
