Brief Details

On the 18/10/2020 at about 1100hrs, I was driving along Loyang Avenue towards Changi Village in vehicle SCW999L on the 1st lane with a passenger seated on the front left seat. I was the first vehicle that reached the junction of T junction of Loyang Lane and Loyang Avenue and I came to a stop when the traffic light was red. Subsequently, vehicle SMT707K had come to a stop on the second lane on my left at the traffic light. As I was waiting for the traffic light to turn green, I suddenly felt a slight impact from left rear of my vehicle. I took a glance on the mirror and both me and my passenger alighted the vehicle.

We noticed that there was foreign white van, JQX7117 had collided with the left rear side of my vehicle. I then approached the driver of the van as he alighted from his van as well. As the traffic light turned green, we then decided to move to the side of as no one was injured. As we reached the bus stop, We alighted and noticed that a driver in SMT707K was also involved. No one was injured and I discussed with the driver of the foreign vehicle and subsequently my passenger helped to call for the Police. While waiting for the Police arrival, we took photos of the damages on our vehicles.

As the Traffic Police arrived and interviewed us, we exchanged particulars and we were advised to lodge a traffic accident report. My vehicle had in car camera and the police seized the memory card. My vehicle SCW999L left rear bumper had a slight dent and scratch. No one was injured at the scene.

The van had a crack right headlight and slight scratches at the right front.
