**Brief Details.**

On 15.10.2020 at around 1917hrs, I was driving my father's vehicle bearing the registration plate number : SGZ7677G travelling along the said road heading back home. As I was driving, I started to see slight smoke emitting out from the vehicle and suddenly, I started to lose control of the steering wheel. I tried to stepped onto the brake all the way however it was too late and my vehicle had mount over a center divider causing it to hit onto a kerb. Fortunately, I was still conscious however the vehicle started to catch fire and the flame became bigger. The airbag was deployed and I managed to break open the door and came out. There was a passer by who came to assist and he told me to move away as he fear the vehicle might explode. As the incident location was near to previous workplace, some of my ex-colleagues rushed to render assistance. SCDF and police arrived a while later however I do not wish to be conveyed. After the accident, I started to feel pain and I went to Sengkang hospital. I was given a total of 14 days MC.

I also wish to state that my personal belongings were all burnt in the fire. The items that were burnt as follows one driving licence , POSB ATM card, UOB ATM card, HSBC credit card, OCBC atm card, Singapore passport , Singapore NRIC, One personal laptop and One work phone.
