

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was travelling along Upper Bukit Timah Road on the third lane. When the vehicle ahead of me stopped, I followed suit and managed to come to a complete stop. then I felt an impact on the rear of my vehicle. I then came down to check and realised that I have involved in a chain collision accident with Veh B (SCL24H) that was at the back of my car and Veh C (SLH1593P). I felt some pain at the back of my shoulder after the incident.
