Hello,

I don't know why the case is against us. I specially mentioned, that I already parked for awhile there before this guy reversed his car into mine.

All the while, the car is in a parked position and did not move my car at all.

I am not agreeable to any compensation to the other party.

Actually I should be the aggrieved party to make claim against him but my damage is negligible and actually hope he would do likewise.

Pls advise me what to do next. Thank you

Regards

Samuel
