SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was driving on University Walk towards my house at 29, University Walk. As I was passing through Unit 11, I saw a car stopped outside Unit 28. Before I could fully pass through, the car suddenly reversed into my lane and the left bumper of her car hit the right back passenger door of my car. The driver was attempting to reverse into Unit 11 when she failed to check the road for ongoing vehicles and consequently hit my car.

When we both stopped our cars after the accident occurred, I asked the driver why she reversed into my lane suddenly and she said she didn't check properly when reversing. As I clearly had the right of way, she said to let her know the costs of my car's damages. We took pictures of our car's damages sustained as a result of her negligence.

I also saw my neighbour Mel, who is living in Unit 11, seated in her front passenger seat. She agreed to be the witness should the need arise.

DECLARATION

I/We declare the foregoing particulars are true in every respect.
