Dear Priscilla,

According to our surveyor, we found that both of Voxy X and Voxy V model got 3 airbags.

It's parallel imported vehicle and imported by local dealer. It's showing 9 dealers selling both models in the market.

Refer to attached, price range for both model not much difference.

This message is from an external sender; be cautious with links and attachments.

Dear Priscilla,

I attached the retail price list with this email. The price quoted is \$135,500. With similar features as previous car. Due to higher COE. Also prev we had 7 airbags in the car while now its only 2. But this is the only one available.

But the model is Voxy Hybrid X and not Hybrid V as the V model is no longer in production and no longer available.

So we will go ahead with this. Is that ok? Because the bidding is on Wed.

Thanks.

Tiffany.
