CONTINUATION OF REPORT

Brief Details.

On the 1/11/2020 at about 11.20 am, I was driving along Jalan Wangi making an exit towards Mac Pherson Road. I am supposed to turn right at the traffic junction at the signallised T junction Macpherson Road and Jalan wangi lamp post 34. As the traffic light was green and was on my favour, I steered my car at the bend turning into Mac Pherson Road. As I was doing so, I oversteared my vehicle SLF6768E whilst turning and causing my front bumper to hit the center divider and the traffic light no. 4. The traffic light pole no. 4 and the center divider was still functionable and standing strong however due to collision it was tilted inwards. I immediately stopped the vehicle and my motor vehicle Insurance agent called for traffic Police. I was not injured and no others were at the junction. No other person were injured. I was attended to by Traffic Police and was advised to make a Police report. I also made a electronic report no T/20201101/7008.
