WITHOUT PREJUDICE

Dear Sir/ Madam,

Please be informed that our principal had further reviewed the matter and based on both party's statement, our insured was entering the car park where your client was exiting. As our insured mentioned your client's vehicle occupied the space of our insured's driving route, which this indicate that your client did not stop at the exit point to give way to our insured from entering the car park.

From scene photo provided by our insured(as attached), your client vehicle encroached into our insured's travelling path. Hence, liability is down on your client. Kindly refer to our insured's statement as attached for your reference.

As such, we have our principal's instruction and that we are unable to look into your client's claim.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Best Regards,
