Dear Jasper,

Kindly send OI email instead and request for her to call back so that you can verify further on accident details and also the status of her counter-claim.

From scene photo provided by OI (in GIA report), I concur with your assessment- TPIV encroached into OIV's travelling path.  
Please proceed with rejection.

Kind Regards,  
Saliha

Dear Saliha,

We refer to the matter above.

Based on both party statement, our insured was entering the car park where TP was exiting. As our insured said the TP vehicle occupied the space of our insured 's driving route, which this indicate that TP did not stop at the exit point to give way to our insured from entering the car park.

There is no evidence provided from TP. We try to call our insured but the number is unreachable.

We are in the view that TP is a fault. Kindly have your rejection approval.

Best Regards,
