#### **Brief Details**

I was driving my van bearing plate number GBD5247C along Bedok North Ave 4 when I stopped at the slip road to turn left onto Upper Changi Road when I suddenly felt an impact at the rear of my van. A taxi bearing plate number SHC6858S without any passengers has hit the rear of my van. At that point of time both me and my passenger, wife, was feeling okay. However earlier this afternoon my wife felt pain and decided to consult the doctor. She was then given 3 days MC by the doctor.
