**Brief Details.**

On 02/11/2020 at about 0010hrs, I was driving my car bearing registration number SLE2979U on the right most lane along Pioneer Road turning into Pioneer Circus Roundabout. I then checked for traffic and when the traffic was clear, I then proceed to turn into the roundabout. When I wanted to exit the roundabout, I signaled left however before I even exit the roundabout, one taxi bearing registration number SHC2533E collided onto the left portion of my vehicle.

Due to the collision, the left portion of my vehicle was dented and there were scratches from the rear to the front portion of the car. My left side mirror was also bent forward due to the impact. There was no injuries earlier on hence we proceed to exchange particulars and drove off.

Traffic police also attended to the case however no further follow up was carried out.

Subsequently, I then felt unwell and felt pain on my neck and my back. I then visited Intemedical 24Hr Clinic and was given a 4 days MC.

I also have an in car built camera that could be used to aid the investigation.

I am lodging this report for police investigation and insurance claim.
