Brief Details.

On 21/10/2019 at about 0930hrs, I was driving my minibus with 14 passengers along Admiralty Road West towards Woodlands Central.

- 2) I had then stopped at a bus bay as a passenger had requested that I do a U turn. I had then had to cut to the right side of the road to make a U turn at designated U turn junction.
- 3) As I was cutting to the right side of the road (2 lane road), there was suddenly a collision from the rear. The collision had opened the back door of the minibus, resulting in 2 female passengers being thrown out of my mini bus.
- 4) I had then alighted and discovered that lorry had collided with the right rear side of my mini bus. I then called for ambulance as I observed several of my passengers were hurt, including the 2 passengers being flung out of the vehicle.
- 5) Traffic Police, ambulance and SCDF had arrived at my scene to render assistance. I did not manage to get any information in regards to the lorry and its driver. I was subsequently conveyed to TTSH where I was given medical treatment for the pain in my right shoulder and then given 3 days medical leave.
- 6) I cannot provide the damage assessment of my mini bus at this moment. There is no in car camera in my minibus. That is all.
