**CONTINUATION OF REPORT**

**Brief Details.**

On 19/05/2019 at about 0810hrs I walked to my company's van (PC3460E) and realized that the van was damaged on the right front bumper, with part of it dislodged from the van. I last saw the van intact on 18/05/2019 at about 1830hrs at carpark lot 23. I do not have any in car camera and as such do not know which vehicle had collided with my vehicle. I also received a police note on my windshield stating that my vehicle was involved in a police incident. I am lodging this report for investigation purposes.
