Brief Details.

On 06/11/2020 at around 0430hrs, I was driving a rental vehicle bearing registration plate number SJK6759D travelling along Yishun Avenue 1 near to Sinopec at Yishun to pump petrol. After I had done pumping the petrol, I was smoking outside of the petrol kiosk when I saw a vehicle was travelling on the road heading towards Sembawang Road direction on the most left lane without one of the tyre.

I then quickly got back into my car and followed the driver and I tried to warn him by honking him. I managed to drive next to him and I wind down my window and tried to tell him regarding his tyre. I tried to horn at him to get his attention however he did not look back at me and kept on driving.

I drove to the front of him at Sembawang Road after the traffic junction to stop him from continue driving. However, he didn't came to a stop but he hit onto the rear right of my vehicle and speed off after. The vehicle is bearing registration plate SLS1994H.

After the collision, I didn't know what to do and I went back home. My friend assisted me to inform traffic police regarding this issue.

Subsequently, traffic police called me at around 0620 - 0630hrs, and asked me regarding what had happened earlier and told me to proceed to Blk 33 Marsiling Drive as they have caught the driver who had collided onto my rental vehicle as he had caused another accident at that area. Traffic police officers told me to proceed down to verify the damages of my vehicle as well as the vehicle who had hit and run from
