Hi Dhanya,

We have maintained our offer at 50/50 -\$2,200.00. However, third party rejected our offer and proposed for a global sum of \$4,000.00(all-in). Third party mentioned that their client video did not show the car moved off from stationary, it only shows that the car was moving in slow motion. Our insured driver just cut in from the right to make a left turn.

We have reviewed the matter and we are of the view that liability is not in our driver's favour as he was making a left turn on the going straight only lane.

Please let us have your further mandate in Merimen after reviewing the matter. Thank you.

Best Regards,
