Dear Sirs / Madam,

ACCIDENT INVOLVING YK 8881S & XE 3776P ON 09/10/2020

We refer to the above matter.

Third Party reported that he was driving on the 2nd lane of the turn right lane. OI was on his right and went into 'Bus Only Lane'. He then on his right signal and filter to 1st Lane. OI did a sudden swerve out from 'Bus Only Lane' without checking the traffic. OI did mention that he did a sudden swerve out because he realised that he's on the wrong lane, cannot do a U-turn.

Our Insured driver reported that he was driving on his lane and suddenly TP cut into his lane.

Attached Third Party video for your easy reference. Based on Third Party video, we are of the view that liability is not in our insured driver's favour as our driver swerved out from stationary position without checking the traffic and collided with third party who was driving ahead.

Kindly let us have your view/comments on the liability after reviewing the matter.

Appreciate your early response.

Thank you.
