Brief Details.

On 8/11/2020 at around 1630hrs, I was driving my rental vehicle (SLE4832X) along PIE at the flyover from PIE into BKE. There were 3 lanes on the flyover, I was driving at the rightmost lane at the time. While driving along the flyover, I noticed there was a road obstruction ahead due to an EMAS vehicle being in the process of towing away another car. The EMAS crew had placed some cones along the leftmost lane.

At this time, I noticed that a lorry (GBJ751P) driving ahead of me in the leftmost lane started to turn and swerve right across two lanes into my lane in front of my vehicle, seemingly losing control of his vehicle. I

thus immediately jammed on my brakes and tried to turn into the lane on my left to avoid hitting the lorry. However while doing this, I felt an impact behind me, this caused my vehicle to go forward and hit the lorry on the right side cargo bed area. I alighted my vehicle and realised that a taxi (SHB3137P) had hit my car directly from behind. I alighted and went to exchange my particulars with the 2 other drivers involved. I subsequently managed to move my vehicle away to Dairy Farm Rd and waited for a tow truck to remove my vehicle. The EMAS crew had also assisted in advising me to move my vehicle.

I subsequently went to TTSH to seek medical assistance as I felt pain in my neck and I received a 4 day MC. I was also notified by the taxi driver that he had also gone to seek medical treatment. I am unaware if the lorry driver was injured. The damage to my vehicle was a large dent in my rear bumper, and my front right side area between the right side driver door and right headlight was crushed, the front right head light was damaged and the front right side bumper had partially fallen off. I am unaware of the cost of the damage as I have yet to bring it to a workshop. The damage to the taxi was some scratches and dents on the front bumper and the front bumper was partially dislodged. I am unsure of the exact damage to the lorry. I wish to state that my vehicle is a rental car belonging to Tribecar and the lorry is a company vehicle belonging to Hydroproof Roofing Specialists. (Company number 52995372B)
I am lodging this report for record purpose.
