Dear Sir/Madam,

### **ACCIDENT INVOLVING SLB 9928L & SKF 7295G ALONG/AT MARYMOUNT LANE & UPP. THOMSON RD JUNCTION ON 12/11/2020**

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, AIG Asia Pacific Insurance Pte Ltd to deal with the third party claim against your policy.

We have received a claim from SKF 7295G against your motor insurance policy.

Based on the accident report and accident scenario, we are of the view that liability is not in your favour as your vehicle was turning right without the activation of the right turn arrow and collided with Third Party who was approaching from the opposite direction. Turning vehicles should exercise greater caution and give way to oncoming traffic from the opposite direction. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 7 days from the date of this letter.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.
