Hi Katie

This case of OIV stalled in flood.

Vehicle was in Eurokars since Friday afternoon .

LKK called , mentioned as estimate not given by workshop as request from you not to give us.

LKK need a letter from workshop to state if vehicle can be repair or not before LKK can revert us.

Agent workshop refuses to give letter as we told them no estimate provided so till now without quotation , they cannot determine the amount of repair , if vehicle should be TL or not .

The PH is also asking how days of repair as she is without a car currently .

Kindly advise as we need to revert to all parties.

Due to the COVID-19 situation, most of our staff are working from home.

While we remain committed to serving you, there may be delay in our customer services.

We thank you for your kind understanding under such challenging circumstances.
