CONTINUATION OF REPORT

Brief Details.

On 31/10/2020 at about 0520hrs, I was driving back home and I entered the carpark to my block at Joo Seng Road. In the carpark, as I was making a turn near block 13, I felt a bump near the left front side of my vehicle near the wheel area. I did not take into account of that bump as it was dark and there has been construction recently and I thought that I had drove on some debris left over by the construction. After I had parked my vehicle, I made a check on my vehicle and there were no damages.

I do not have an in car camera for my vehicle.

I am lodging this police report as I received a letter from the Traffic Police informing me about this incident. I was then instructed by TP IO Pamela to lodge a police report.
