Brief Details.

On 15/11/2020 at about 1150hrs, I was driving my motorcycle(Registration No. FBJ969D) along St.George Road on a continuous white line one lane road towards St.Wilfred Rd when I arrived near Block 7. I notice that there was a Comfort taxi(Registration No. SH6535S) in front of me and the taxi was moving near the curb on the left side with the hazard lights on. Therefore I proceeded to overtake the taxi on the right. Suddenly, the taxi turn right to make a U-turn and I collided onto the taxi's right driver's side portion and fell onto a grass patch and my motorcycle flipped. I suffered abrasion on my left arm and feet and slight fractured my tail bone. I then exchange particulars with the driver, took photos and left the scene.

I later went to Sengkang General Hospital and has 6days of MC, therefore lodging this Traffic Accident
