**Brief Details.**

On 22/01/2020 at about 4pm, I had collected a rented car SLE3881K from a car rental company BKW Rent A Car Pte Ltd. At about 7pm, while driving the said rented car at Chinatown Complex Multi-story carpark level 4 or 5, there was one motorbike (unknown plate number) did not position in the parking lot and its storage box extended out. As a result, it made the driveway narrow and when I tried to drive through, my rented car accidentally hit the storage box of the motorbike and caused it to fall. After I lifted the motorbike up, I discovered there was still not enough space for the car to drive through. As such, I shifted the motorbike in slanted position across two parking lots. I also made a check on the rented car and discovered no damages on the car. After which, I drove off. I made a cursory check on the exterior of the motorbike and did not see any damages. As I did not see security officer at scene, I did not report to any staff of Chinatown Complex.

I am not familiar with Singapore Law and I did not report the accident to police immediately until the car rental company contacted me on 02/03/2020 informing me the letter from Traffic Police. I wish to state that I did not notice any CCTV at the vicinity near the accident point. However, there was one in-car camera in the rented car.
