Brief Details

On the 31/10/2020 at about 1300hrs, I was parking my vehicle (SGZ7771S, White Mercedes C-200) at one of the lot at the open carpark at 61 UBI AVENUE 2 (Automobile Megamart). While I was parking, I did not notice any sound or vibrations. After parking my vehicle, I secured it and left the location. I then head into the car show room at Car Mart to look around.

About 15mins later, a male subject came inside and claimed that I had hit his car while parking my vehicle. I then followed the person and the person then showed me an unregistered vehicle (black in color) which belongs to his shop (Prime Car). The said car has some scratches on the front left bumper area and the person claimed that I had hit the vehicle. The person claimed that due to the scratches at my vehicle, he assessed that I might have hit the vehicle. However, I informed him that my vehicle has some scratches on it already and that I did not hit his vehicle. The person then asked for my contact which I refuse to provide. I then went back into the show room.

I then went back to my vehicle to leave the location and that is when the same subject together with other people tried to stop me for leaving as they thought that I had hit their vehicle. They then showed me the CCTV footage which shows my car was reversing into the lot and seems to be in close proximity to the stationary vehicle. However, as far as I recall, I didn't hear or feel anything while parking and suggested to them to lodge an insurance claim regarding the accident. They initially are reluctant to let me go but after awhile, they let me leave.

I wish to state that I have an in car camera installed in my vehicle. However, at the time of lodging the report, I have yet to view it. I am lodging this report for record purpose of the incident.
