Dear LKK,

Please assist to conduct OD survey and fire investigation to the above matter which have been assigned via smart claim.

According to insured report, it mentioned that prior to the accident, they were gathering near the vehicle parked area and was celebrating depavali and hence there was some fire lighted near the vehicle.

Based on the fire burnt marks on insured vehicle, it can be seen that the fire is at the frontal left from the bottom which suggest that the fire may start from the ground.

For your needed expert advise and investigation please.

Thank you.
