Brief Details.

on 10/09/2020 at about 10am, I was riding along Woodlands Ave 12 going towards SLE, just before the entrance of the expressway, the traffic light was red. I was riding more to the right side of the left lane, trying to go near to the stop line, one lorry on the right lane passenger door suddenly open and hit me. the impact caused me to fall to the right side and my bike had fall to the left side. The passenger and the driver came out to check on me. I shifted my bike on the right side in front of the lorry. They ask if I need any ambulance and I told them no need as at that point of time I did not feel any pain. they also provide me with tissue paper as my hand was bleeding. After talking to them, we exchange particulars, they ask if we can do private settlement however I told them that I will see how first. I then went to work but after 4 to 5 hours later, I started to feel pain at my body. I went to see doctor and was given 6 days MC.
