Brief Details.

On 6/12/2020 around 7.20 pm my neighbor informed me that a Taxi Had hit my parked stationary vehicle along crowhurst drive near 1, crowhurst drive..my neighbour witness the incident around 6.55pm .The taxi had driven off.He handed me the Taxi number .I went to have a look at my vehicle a 1969 Volkswagen beetle SBR 6836Y and the front bumper was bent and badly damaged.The front right fender as also hit with some scruff marks. I then called 999 to report a hit and run and was informed by the operator to stay at the location and traffic police would be informed. Around 15 minutes had passed while waiting and looking at my vehicle , the Taxi A toyota SHD 2356U appeared and the driver one Mr.Razak Bin Idris came and apologize for hitting my vehicle.He said that he had a moment of lapsed judgement .He asked if we could settle amicably however I did tell him that due to the age of my vehicle parts would not be easily available and had to be imported. It may cost .

A traffic police officer showed up and I inform the officer that the Taxi driver showed up and apologize .The officer took our accounts of the incident and the taxi driver did admit his mistake. As there were no injuries the officer advise us to make a report and we could decided to claim insurance if we wanted. The driver and myself exchanged information and had decided to claim insurance. This report is true and concise to my knowledge.
