Brief Details.

On 04/11/2020 at about 2110hrs, I was driving along Lor 10 Geylang towards Talma Rd when suddenly one motorcycle bearing a local registration number came out from a backlane. I applied my brakes however the said motorcycle did not brake in time and the front part of the motorcycle hit the front right of my car.

I then went out from my car and asked the rider for his driving license however he told me that his license was with Traffic Police. As I turned away, the rider suddenly rode off and I lost sight of him. I then called police for assistance and shortly after, one traffic police officer came to scene and advised me to lodge a traffic accident report.

I wished to state that I did not sustain any injuries and there were damages on the front right bumper as well as the right side of my car. I also wished to state that there is an in-car camera in my car.
