Brief Details.

On the 10/12/2020 at about 4.30pm, I am driving along near to exit 5 Upper Thomson road along CTE. It was drizzling and traffic was heavy at that point of time. I was on the second lane. There was a vehicle in front of me who had braked which I then braked. Suddenly from the rear view mirror, I saw a van suddenly swerved to the left lane and had collided on to another vehicle, due to the Collision, he then swerved back to its right and collided on the left rear passenger door of my vehicle.

No TP and ambulance at scene. No visible injuries on all parties. Me and my passengers felt pain due to the collision however have yet to seek medical attention. We then exchanged and took photos of the incident. I do not have a in car camera in my vehicle. There is a big dent on the said passenger door. There were also scratches on the panel above the rear left tire.
I am lodging this report for insurance claims.
