**Brief Details.**

I was driving along Tampines Ave 3 towards Tampines Ave 4 on the left of 2 lanes at stated date and time. As I was approaching the pedestrian crossing near Block 831 of the above road, a cyclist was at the center divider of the crossing and was moving across the road. The traffic light was green in my favour at the time. As I neared the crossing, I saw the cyclist on the 1st lane and I immediately jam braked. By this time, the bike was in my lane but I was unable to stop in time and hit onto the cyclist with the front right side of the car. The cyclist flew and landed on my windscreen and eventually landed on floor on the right side of my car. Ambulance arrived in about 5 minutes. Paramedics could detect a pulse from the cyclist and conveyed the cyclist to hospital. Later I was informed that it was a fatal case and was arrested to TP.

There was a witness at the scene by the name of Mr Goh, Hpi: 81809889 who is willing to provide an account.
